

SCOTTISH UNIVERSITIES SUMMER SCHOOL IN PHYSICS #68

NATO Advanced Study Institute

Laser-Plasma Interactions and Applications

University of Strathclyde, Glasgow

14th – 27th August 2011

<http://sussp68.phys.strath.ac.uk/>

APPLICATION FORM

Please complete and return by email to sussp68@phys.strath.ac.uk

SECTION 1: Personal Details

Title	Surname	First name	Middle name (or initials)
Gender (M/F)	Nationality	Place of Birth (City and country)	Date of birth
Full address of permanent institution			
Telephone		E-mail	
Full address of present institution (if different from permanent)			
Telephone		E-mail	
Mailing address (tick appropriate box)			
Permanent address		Present address	

Name and address of person to notify in case of emergency	
Telephone	Relationship

SECTION 2: Education (university or equivalent)

Institution name	From	To	Degree obtained

SECTION 3: Scientific Employment (present and previous academic posts)

Institution name	From	To	Academic responsibilities

SECTION 4: Present research interests.

Briefly outline your present research interests

Please enter details of your poster presentation below:

Title:

Authors:

Brief abstract (50 words):

SECTION 5: Scientific Publications

Total number of refereed journal papers:	
Details of up to three publications in which you have made a significant contribution:	
Title of paper	Journal or book reference

SECTION 6: Financial Support / Bursaries.

Some financial support in the form of bursaries is available, subject to eligibility criteria, for participants from NATO, NATO Partner and Mediterranean Dialogue countries. Please see the list below for a complete list of eligible countries. The selection process is based on the following criteria: (1) relevance to the student's research; (2) present career point; (3) letter of reference from their supervisor; and, (4) demonstration of the need for financial support. Every effort should be made by applicants to secure financial support from local sources, especially for travel, and bursaries can only be given where local financial support is not available.

Do you wish to apply for a Bursary? If yes, please give a brief justification for your application:

--

SECTION 7: Other Information

If you have any special dietary or medical/health requirements, please list them below:

--

SECTION 8: For UK students only

Are you in receipt of an EPSRC studentship?

Are you a member of the Institute of Physics?

SECTION 9: Verification & Support of Application

Please paste scanned signatures into the relevant boxes below

Signature of applicant	Date
Name of research supervisor or Head of Department or Institute	
Research supervisor or Head of Department or Institute declaration & signature	Date
I confirm that the information submitted in this application is accurate and complete and that the requested financial support is necessary for the applicant to attend the School.	

NATO countries: Albania, Belgium, Bulgaria, Canada, Croatia, Czech Republic, Denmark, Estonia, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Netherlands, Norway, Poland, Portugal, Romania, Slovak Republic, Slovenia, Spain, Turkey, United Kingdom, United States.

Eligible Partner Countries: Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Georgia, Kazakhstan, Kyrgyzstan, Malta, Moldova, Montenegro, Russia, Serbia, Tajikistan, the former Yugoslav Republic of Macedonia, Turkmenistan, Ukraine, Uzbekistan.

Mediterranean Dialogue countries: Algeria, Egypt, Israel, Jordan, Mauritania, Morocco and Tunisia
